PERCEZIONE VISIVA

Qual è la forma appropriata per costruire il disegno a sinistra di ciascuna fila?

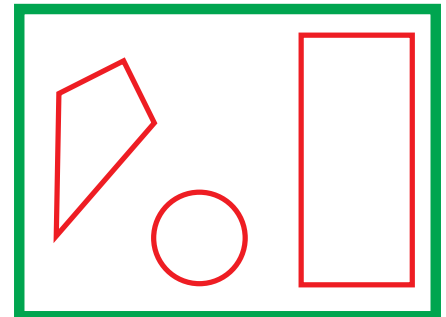

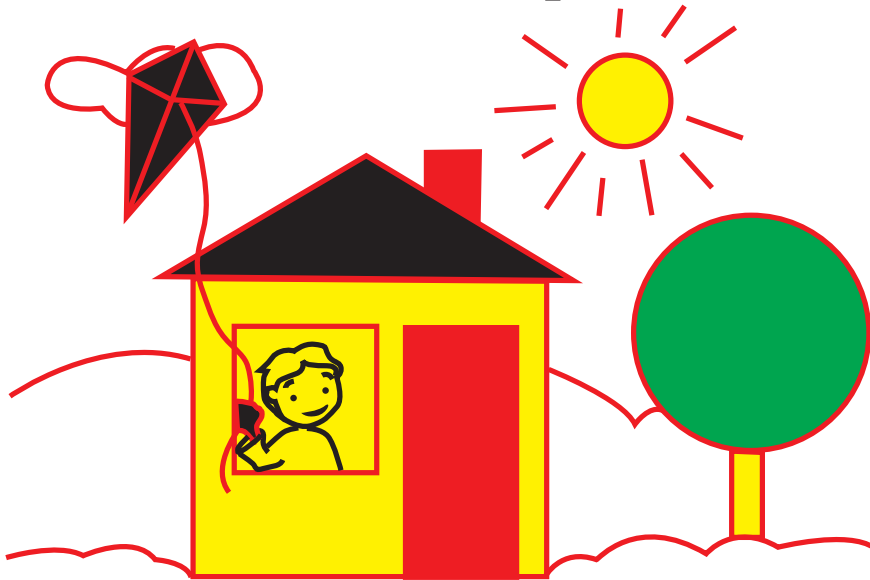

Dopo averla individuata, completala.

PERCEZIONE VISIVA

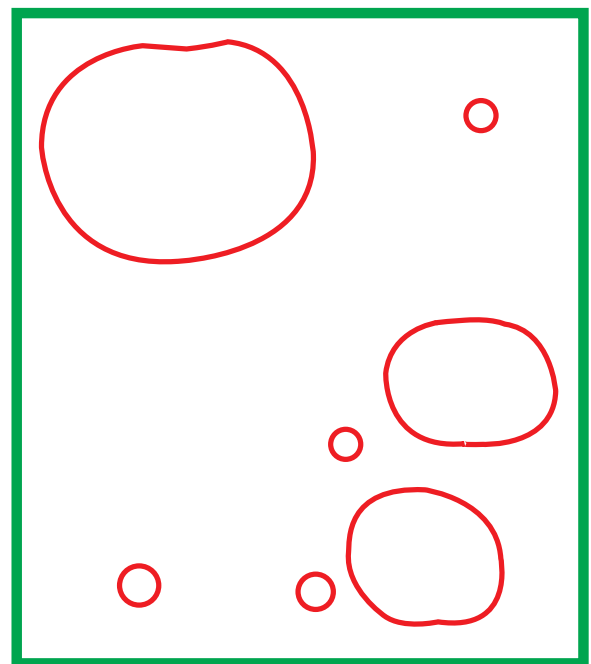

CASSETTA

Le figure a lato sono state inserite nel disegno.
Sei capace di trovarle?

PUPAZZO DI NEVE

Piera ha costruito un pupazzo di neve.
Quali palle ha usato?

Se necessario ritagliare le figure alla destra dell'immagine, in modo che l'alunno possa operare manualmente.

PERCEZIONE VISIVA

A sinistra di ogni fila vi è una figura che si chiama poligono (triangolo, quadrato, esagono). Trova questo poligono nelle diverse figure della fila e colorala. Attenzione: la parte da colorare può essere orientata in modo diverso dal modello.
