Two pairs of square grids. Each pair consists of a white grid with 4x4 dots on the left and a light blue grid on the right. A black arrow points from the blue grid to the white grid. The blue grids contain line drawings of a house-like shape with a chimney, drawn using the dots as vertices.

Two pairs of square grids. Each pair consists of a white grid with 4x4 dots on the left and a light pink grid on the right. A black arrow points from the pink grid to the white grid. The pink grids contain line drawings of a square with internal lines forming a diamond pattern and other geometric shapes, drawn using the dots as vertices.

Two pairs of square grids. Each pair consists of a white grid with 4x4 dots on the left and a yellow grid on the right. A black arrow points from the yellow grid to the white grid. The yellow grids contain line drawings of a star-like shape and a complex geometric pattern, drawn using the dots as vertices.
