VISTA DALL'ALTO

Osserva con attenzione il cubo più grande. Dovrebbe essere completato da 8 cubi più piccoli.

Ma ne manca uno! Indica con una crocetta quale è il cubo che manca per completare il solido più grande.

VISTA DALL'ALTO

Osserva con attenzione il cubo più grande. Dovrebbe essere composto da 8 cubi più piccoli. Ma ne manca uno! Scegli (fra A, B, C) quale è il cubetto che manca per completare la figura.
