Robin ha letto <i>Animal Farm</i> , il grande romanzo di George Orwell, e ne ha riassunto la trama. Traduci il suo riassunto.

C'è una rivolta (rebellion) alla Manor Farm perché gli animali non vogliono che Mr Jones comandi su (rule over) di essi. Gli animali lo mandano via (send away) e creano (create) una democrazia. Tutti gli animali all'inizio sono uguali (equal) ma a poco a poco (little by little) i maiali prendono il controllo (take control) della fattoria e cominciano i primi problemi. I maiali hanno due leader, Napoleone e Palla di Neve (Snowball). Napoleone è crudele (cruel) e disonesto (dishonest), mentre Palla di Neve è onesto e si prende cura degli altri (other) animali. Agli animali piace Palla di Neve. Napoleone, pieno di invidia (envy), inventa (invent) delle terribili menzogne su (lies about) Palla di Neve, lo caccia dalla fattoria e diventa un feroce dittatore (cruel tyrant). Napoleone comincia a commerciare (trade) con gli uomini e trascorre il suo tempo con loro. A poco a poco cammina su due zampe (on two legs), indossa vestiti, dorme su un letto e maltratta (treat badly) gli animali. Alla fine c'è una grande cena con Napoleone e i suoi amici uomini. Gli animali li guardano e, con grande tristezza (sadness), capiscono che (that) non c'è differenza tra il maiale Napoleone e gli uomini.
