

## Unit 7

### Esercizi di recupero

A. Underline the correct word to complete the summary of the passage on p. 84.  
Every year there are international dentistry fairs and exhibitions and the official language for *local exhibitors/visitors and exhibitors from other countries* is English.  
Different people attend these events for different reasons: *producers/staff* present their new products and services; dental professionals look for new products or special offers and keep in touch with *patients/suppliers*; unemployed people can look for *a job/a conference*.

B. Now translate the summary in A.

C. Choose the correct preposition.  
1. "I can't see Paul, where is he?" "He's standing *between/behind* John and Leo."  
2. There is a bank *opposite/among* the hotel.  
3. The pencil has fallen *under/above* the chair.  
4. What is there *inside/near* your pocket?

## Unit 8

### Esercizi di recupero

- A. Underline the correct word to complete the summary of the passage on p. 94. Professionals working in dentistry often participate in conferences, *to expand their knowledge / start a University career*, and refresher courses, *to buy new equipment / improve their skills*. These events can be held during exhibitions or independently.

A good knowledge of English is essential, especially *to understand speakers / to write abstracts*. It is also important to take notes and, if possible, *to record the lecture / ask the speakers to repeat what they said*.

- B. Now translate the summary in A.
