Last summer Meg went on holiday to Spain with her parents.

They **spent** three days in Barcelona and Meg really loved it!

They went sightseeing all day: they visited the Sagrada Familia.

Then, they went shopping in the Ramblas where Meg bought lots of souvenirs.

They stayed in a beautiful hotel in the city centre.

They went out for dinner every night and went to bed late.

After three days in Barcelona, they went to the seaside in a small town near Barcelona.

Meg went to the beach with her family every day and sometimes played volleyball with her brother.

The weather was great - oh, it was so hot! - and Meg and her brother often had an ice cream in the afternoon.

When it was **too** hot... she went swimming in the sea with her dad.

Glossario

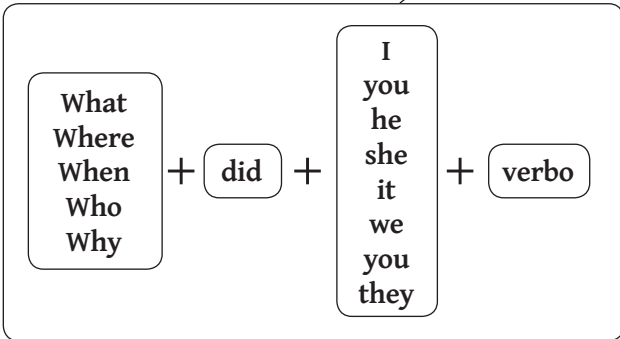

spend (past simple: **spent**) = trascorrere, passare

too = troppo
