- 4 The first national Earth Day in an Islamic State was in in
- 5 If you want to an event, you can a lot of information in the Basic Organizer's Guide.

Earth Day events

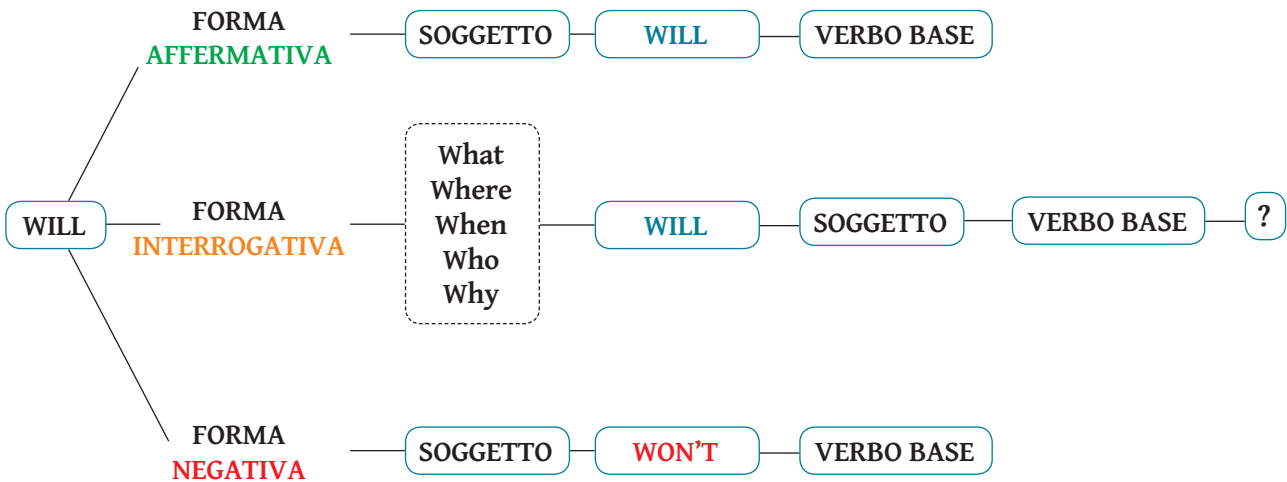

Lots of organizations and individuals all around the world organize Earth Day events every year. The events correspond to the environmental needs of their communities. In New Delhi, India, last year people organized a Save Water Rally.

In 2010, in Morocco, there was the first national celebration of Earth Day in an Islamic State. It included school festivals, tree plantings, park openings and students' art exhibitions. There was also a big concert.

You can find lots of information about how to organize a successful event in the Basic Organizer's Guide and the Campus Organizer's Guide.
