## Halloween Parties

To have a good Halloween party, you need some basic things such as invitations, decorations, freaky food and games to play. Here are some suggestions for your Halloween party.

### Invitations

Prepare some fab invitations, print them, fill them out and send them to your friends!

### Freaky Food

You can try to prepare special Halloween Balls, which are very popular in Britain. They are very good. They are made of milk chocolate, rice crispies and marshmallows. Melt the milk chocolate. Mix the chocolate with the rice crispies and the marshmallows. Put the mixture in paper cake cases and put them in the fridge.

### Games to play

Among the many games you can play, we suggest "Apple bobbing", probably the most famous of all Halloween games.

**What you need:** A washing up bowl, filled with water and as many apples as you can fit in!

**How to play:** The aim of the game is to pick the apples out of the bowl, using only your mouth. To make it even harder and certainly more silly, you can try it blindfolded. Be warned. You will get very wet!
