2 Facciamo ora delle Halloween decorations per la classe seguendo le istruzioni per creare uno Scary Skeleton.

What you need:

• cardboard

• brass paper fasteners

• scissors

• crayons, coloured pencils or markers

• hole-punch

• string or elastic

• glue

What you do:

- On cardboard, draw the bones of the scary skeleton as in the model given on the right.
- Cut out the bones.
- Hole-punch the bones and body of the skeleton.
- Connect the bones of the skeleton with brass fasteners.
- Hang up your scary skeleton with string or elastic.
- SCARE your neighbours!
